CKLP invites members of voluntary and community groups in County Kildare to register for our Intercultural Competency and Anti-Racism Workshop which takes place on the evening of **Thursday March 3rd at 7pm** via Zoom.

The workshop, facilitated by the Immigrant Council of Ireland, will provide an opportunity to explore the dynamics of intercultural communication with the aim to build the participants' capacity to form meaningful social and professional relationships with members of diverse communities. It is an interactive workshop where participants will be invited to reflect on how cultural perceptions form our understanding of the world, and how this is playing a role in our social interactions.

The participants will also learn how to introduce practical anti-racism strategies in our day-to-day lives. The workshop is a safe platform where participants will be welcomed to share their conclusions and ask questions without judgment.
